

ASSOCIATE IN SCIENCE FOR TRANSFER
2018-2019
BUSINESS ADMINISTRATION

This program provides students with the knowledge, both in practice and theory, to complete the lower division requirements and prepare them to transfer to a four-year institution and to earn a Bachelor's Degree. The degree is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major. Included in the curriculum are core courses in accounting, economics, business law, and mathematics. The student will learn to analyze data and problems related to businesses and use the basic analytic business tools to find solutions.

Program Learning Outcomes:

- Solve business problems through statistical analysis.
- Utilize current business theories to manage staff in a successful manner.
- Use various motivational theories to improve productivity.
- Demonstrate knowledge of organizational structure and behavior, management, marketing, finance and accounting, operations and information systems, and ethical responsibilities of corporations.
