Health Insurance, Respiratory Fit Test and CPR - Due June 30th in Complio

- Health Insurance Verification

- Respiratory Fit Test must be completed annually - we offer it very summer. If you have one done at work, we will accept this

- Current Basic Life Support (BLS) Provider Certification
  - Do not let your CPR card expire
  - You must renew before it expires.

You have all been sent an email from Sign Up Genius to participate in these events held at EVC and they are only offered in the summer.
Introduction: Background Checks and Complio System (www.evcbbackgroundcheck.com)

Adrienne Burns, Program Coordinator
Background Check

Our Policy:

- **Policy Statement**
  All students entering the nursing program are required to obtain a criminal background check and urine drug screen.

- **Purpose**
  The 2004 Manual for Hospitals published by the Joint Commission on Accreditation of hospitals and Healthcare Organizations (JCAHO), the major accreditation body for hospitals, requires that all staff members, student, faculty and volunteers meet standards relating to criminal background checks and freedom from drugs.

- **Policy**
  Overview: Students are responsible for costs associated with the criminal background check and drug screen. Students must further agree that all results are available to the nursing program and the clinical sites associated with the program. The program is responsible for ensuring that students comply with individual hospital policy regarding disclosure of results. Should a clinical agency refuse to place a student based on the outcome of either the background check or drug screen, the program has no responsibility for arranging an alternative clinical placement.

- **Criminal Background Check:**
  Upon acceptance in the nursing program, students must clear a criminal background check. Failure to complete this process will result in dismissal from the program.

- **Urine Drug Screen** *If the background check indicates criminal behavior, the student may be dismissed from the program.*

- The nursing program maintains a no tolerance policy regarding substance abuse. All students must clear a urine drug test. Failure to undergo or pass this test will result in dismissal from the program. If the drug screen comes back diluted the student will be allowed one (1) retest. If the student fails the second test, the student will be dismissed from the program.
If you have a traffic infraction over $1,000 or any misdemeanor or felony (regardless if it has been expunged)

You must do the following:

1. Write a letter explaining the infraction
   - Why it happened
   - What happened
   - What has changed since the infraction

You can put it in the body of an email and send it to:
Adrienne.Burns@evc.edu
Background Check

- We will forward that email to our clinical site
- We will omit any identifiers (name, etc.)
- The hospital will either approve or deline your entrance into the hospital
- This can take up to 6 weeks
- If you are denied, you will be unable to enter our program
Complio is the secure website that we utilize for the immunization records and the background checks. You can access it at: www.evcbackgroundcheck.com
1. Compliance Tracking Package - $25.00/12 Months
2. Student ONLY Initial Package - $151.00
3. Student Annual Follow Up Drug Screen, Background Check Package - $131.00 (1 year after initial sign up) 2019

Includes both the background check, drug screening and immunization package.

Note: These prices are subject to change
How do I enter information into Complio?

https://vimeo.com/106014744

Once you register, there are also how to videos on your left.
Conclusion

- All items uploaded to Complio by June 30\textsuperscript{th} in order to ensure your placement in the nursing program.
- More information will be given during orientation regarding Schedules, expectations, etc.
