

PrepSTEP is an interactive online learning platform that provides academic and career-related resources for students. This database will help you:

- Develop and strengthen your Math, Grammar, Reading and Writing skills with tutorials and practice tests
- Learn basic computer skills like internet basics and Microsoft Office
- Review Chemistry and Biology
- Practice for the GED, SAT, ACT
- Create Resumes and Cover Letters
- Learn about Careers
- Build study skills

To Access PrepStep

Go to the library's website:
<http://www.evc.edu/library>

1. Click *Find Articles & Media* from the menu on the left.
2. Scroll down the alphabetized list to *Prepstep* and select the database.
3. Once in PrepStep, you must create a login to use the resources. This will help you to track your progress.

Please contact a librarian if you need assistance:
librarian@evc.edu.

We are happy to help!

The screenshot shows the Evergreen Valley College Library website. The header includes the college logo and name, a search bar, and navigation links: HOME, DISCOVER EVC, CURRENT STUDENTS, FUTURE STUDENTS, ACADEMICS, LIBRARY, and FACULTY & STAFF. The main content area is titled 'Library' and features a 'LIBRARY CATALOG' section with the text 'Find Books and Media in the Library:'. On the left, a sidebar menu lists 'LIBRARY' options: About Us, Citation Help, Find Articles & Media (highlighted with a red arrow), and Find Books &. Below this is a blue banner for 'Evergreen Valley College Library'. The main content area displays 'A-Z List of Databases: p' with filters for 'All Subjects', 'All Database Types', and 'All Vendors / Providers'. A list of databases is shown, with 'Prep Step' highlighted by a red arrow. The description for Prep Step reads: 'PrepSTEP is an online resources geared towards helping students achieve academic success and workplace readiness. It has skill-building in English, math, and science, career licensing test prep, workplace skill-building, basic computer skills, college success skills development, and much more. Tutorials and practice tests are available!'. A 'View Data' link is visible on the right.
