

## President's Notification to the Campus

### **Accreditation**

As you would recall, the visiting team from the Accrediting Commission for Community and Junior Colleges (ACCJC) came last November for the Follow-Up visit. The visit went very well, and the team submitted its findings to the Commission, which met three weeks ago. On Tuesday afternoon, we received the official letter from ACCJC. There was no big surprise. As I had predicted, EVC continues on Warning, and SJCC continues on Probation. The Commission notes that the institution has made progress in addressing the recommendations from 2004 and 2010, but there is still work to be done.
