

REPEATING A COURSE

Sometimes students may fail a course and need to repeat it. Should you find yourself in this situation, here's what to do:

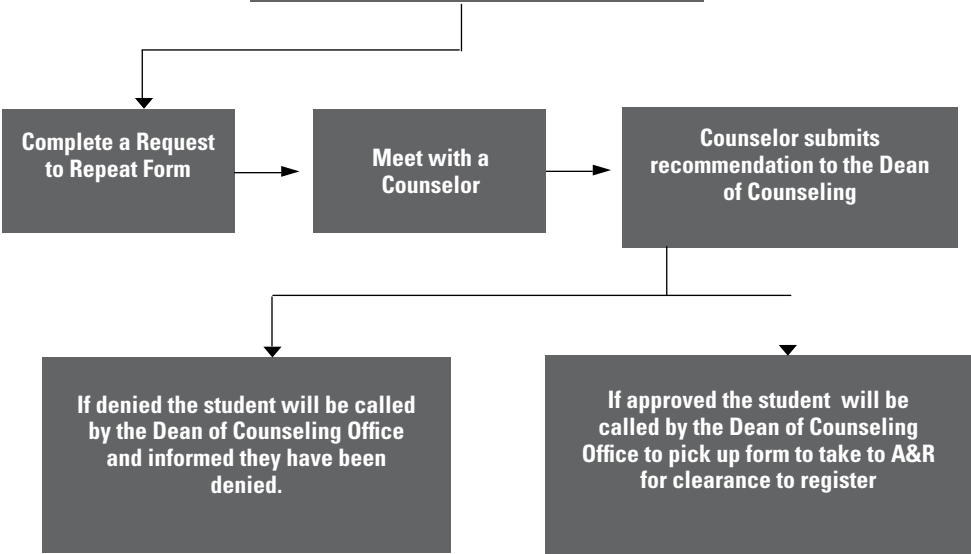

First Repeat

Second Repeat

Third Repeat

Students with disabilities may qualify for additional repetitions and should contact the Disabilities Support Program (DSP) at (408) 270-6447 (Voice) or (408) 238.8722 (TDD). The DSP is located in the Student Services Center, Room SC-120.
