

2019-20 V1 INDEPENDENT VERIFICATION WORKSHEET

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, the Financial Aid Office (FAO) may ask you to confirm the information that you reported on your FAFSA. To verify that you provided correct information, the FAO will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit this form and the required documents to the FAO. After a review of the information you submit, the FAO may still ask for additional information. If you have questions about verification, contact the Financial Aid Office as soon as possible so that the processing of your financial aid will not be delayed.
