- As an International (F-1) Student attending Evergreen Valley College, I understand that I am encouraged to participate in a supplemental medical/emergency plan. In the event I do not choose to participate in a medical plan at this time, I assume personal liability for any accident, health, hospitalization and any/all other medical related expenses incurred by me while attending EVC as an International Student. By signing this application, I am accepting all responsibility for my medical care and expenses.
- Evergreen Valley College does not accept potential applicants that have been dismissed from other U.S. collegiate institutions for any reason.
- If accepted to EVC, International Students are expected and required to follow the Standards of Student Conduct that are published in the college catalog. Failure to do so would be grounds for dismissal.
- Upon acceptance and arrival at EVC you will be tested for English and Math proficiency in order to place you in course levels appropriate for you. All classes are conducted entirely in English, therefore students without sufficient placement may be referred to a language school/program until they are able to meet the standards necessary to successfully complete the required courses for their educational program.

The statements made by me in this application are true and complete to the best of my knowledge. I understand that any falsification constitutes perjury and may be legal basis for dismissal.
