Purpose of SACNAS

- 1) Improve the effectiveness and enhance the public understanding of and appreciation for Chicanos, Latinos, Native Americans, Alaska Natives, Native Hawaiians and other underrepresented minorities in science
- 2) Cooperate with other individuals, organizations and clubs whose purposes include the achievement of community, scholarship study and science education.
- 3) Promote student recruitment and retention of underrepresented minorities in science.
- 4) Provide a forum for students from different science related majors to come together for academic, community services and social activities at Evergreen Valley College.

Meeting Location & Time

To be determined come fall '07 semester in the Sequoia Building Rm. S-101

If you desire a major in the sciences, engineering or math come check us out!
