

San Jose/Evergreen Community College District Placement Test Results

Success in your initial college courses is a very important first step in mastering college. Your assessment scores are designed to place you in the course(s) that will best assure your initial success in college. During your counseling conference your counselor will discuss your assessment scores with you. If you think your test results do not reflect your true ability, please discuss this with your counselor. You may decide to retake the test, or make a course selection based on your discussion with the counselor. In either case our goal is to provide you with the best information and advice possible that will result in your success in college level courses.
