Your application was selected for review in a process called “Verification.” In this process, we will compare information from your FAFSA with the information you provide on this (and any other) document.

**The Law Says:**
The Financial Aid Office has the right to ask you for information either before or after you are awarded any financial aid. This information may increase or decrease your award amount. Any revisions to your award amount will be reflected on your award letter (available via MyWeb).

If the information on this worksheet is different from the information on your Student Aid Report (SAR), your school will make the corrections electronically. A SAR Acknowledgement will be sent to you from the Department of Education, allowing you to review the corrections and results.

**DO NOT LEAVE ANY QUESTIONS BLANK**

**PLEASE NOTE:** If someone who lives in your parents’ house has their own income, you must determine whether they qualify to be counted in your financial aid household. **FOR EXAMPLE:** If your grandmother lives with your parents, she might have her own income or benefits, and might be supporting herself. Remember your parents must provide more than half of her support from July 1, 2016 through June 30, 2017 to count in your financial aid household.
Complete sections B & C to verify 2015 income for student and parent/s. The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) which is part of FAFSA on the Web at www.FAFSA.ed.gov. In most cases no further documentation is needed to verify 2015 IRS income tax return information that was transferred into your FAFSA using the IRS DRT if that information was not changed.
