

Getting Lost In Your Research?

Evergreen Valley College is offering LIB 015 Electronic Research and the Internet for the Spring 2021 Semester!

If you'd like to learn more about conducting college level research and improving your research skills, register for this course.

LIB 015 teaches students how to select appropriate research sources, evaluate information, and document information sources in acceptable formats (MLA/APA).

For more information, please contact the instructor, Julie Moore, julie.moore@evc.edu.
