Student Learning Outcomes Workshop

Thursday February 15

The purpose of this workshop is to assist in your completion of Learning outcomes at the course and program level.

I guarantee you will make progress on your work within a matter of minutes with one on one attention to your program. **Recording work for all SLOs for a course should take about five - ten minutes each semester.**

If this workshops do not work out for your schedule email me and we can set up a time to meet that fits both of our schedules. (brad.carothers@evc.edu)

I AM HERE TO MAKE THIS PROCESS AS PAINLESS AS POSSIBLE

To avoid confusion over IIDay comments, the only change with SLO work is that on the faculty evaluation form, SLO assessment is not part of the evaluation. SLO / PLO work is still a large part of the accreditation process and part of everyone’s professional responsibility. **Completing this work will take 5-10 minutes a semester.**

When: Thursday, February 15
Where: LE 228
Time: 2:00 - 4:00 PM

Future Workshops this Fall:
- Feb 21
- March 1
- (all from 2-4 PM in room LE 228)

- As a reminder ALL SLOs need to be assessed by March 1, 2018 (you have had since 2012 to complete this). Every section of every course needs to assess SLOs. Thereafter all SLOs need to be assessed every two years for.
