Letter from the Vice President of Administrative Services:

“One day you suddenly know...it’s time to start something new and trust the magic of new beginnings.” – Lisa Saldano

As the campus goes through updates to fulfill the goals of the Facilities Master Plan from 2016, new beginnings and opportunities are upon us. The new beginnings extend from our physical setting to the way in which we deliver education. However, most important are the opportunities these new beginnings bring to our students and our community. This newsletter reflects some of those changes as we strive to make Evergreen Valley College the primary community college in the Bay Area.

New Wellness Stations at EVC:

The College has purchased permanent Wellness Stations that will house hand sanitizer and disinfectant wipes. These stations will be housed in the front area of each campus building with additional ones located in Gullo I and the Student Services Building (based on areas having the heaviest traffic). These stations will be permanent and will be replenished nightly by our Custodians. The stations will be on site and installed within the next month. A rendering of how the stations will look and work is above — these will be branded with the EVC logo and there will be ADA stations installed as well.

COVID-19 Signage on Campus:

New COVID-19 signage is currently being placed on campus. The new signage will include information and directions on path of travel, social distancing, COVID-19 personal safety, approved entrances and/or exits, and COVID-19 prepared building information.
Campus Painting Project Update:

We are excited to share the following pictures on the Campus Painting Project. The buildings shown on these pages are in progress of receiving new paint schemes and some will also be receiving murals. The colors and murals on each of these buildings were voted on by EVC faculty, staff, and students in Spring 2019.

LETC: LETC has a new paint scheme.

VPA: VPA has a new paint scheme and murals are currently being added.

Physical Education/Gymnasium: The Physical Education and Gymnasium buildings have a new paint scheme and murals.
Campus Painting Project Update:

Student Services Center:
The Student Services Center has a new paint scheme and murals are currently being added.

Cedro:
Cedro has a new paint scheme and murals are currently being added.

Acacia:
Acacia is currently receiving a new paint scheme.

More pictures coming soon!
