What does SparkPoint Do?

We offer free services and resources to students and members of our community. We work hard to strengthen their financial capability and further their economic and educational goals. SparkPoint hosts monthly events and workshops, and offers one-on-one financial coaching to provide the tools that can help you achieve success.

“YoungPoint Centers are family-friendly places where hard-working, low-income people can access a full range of services to help them get out of poverty.”
- Nick Thomas
