BankMobile - Refund Options
Financial Aid & Emergency Grants

EVC Financial Aid has partnered with BankMobile to deliver financial aid refunds to students. To avoid any delays in accessing financial aid refunds, students must select a refund option. Students can choose either using direct deposit or opening a checking account with BankMobile. After students set up their refund choice option, they can make the change anytime from their BankMobile account. Students can contact the Financial Aid Office if they need assistance to set up their refund choice with BankMobile.
