EVC Scholarships are Available

EVC students are encouraged to apply for scholarships. Like grants, scholarships are financial aid students do not need to pay back.

Scholarships provide an opportunity for many students to earn an education. Without assistance from an outside source, students may have trouble paying for the degree they need in order to enter the workforce and become a contributing member of society.
EVC Scholarship Information

The 2021-2022 Scholarship Application is now open. **Continuing** and **Transfer** Scholarships are available. The application process is very easy and is 100% electronic. Students can apply for scholarships for Fall 2021 today!
