EVC Campus Tutoring Resources

Daily Drop-in Tutoring

“I see the same tutor every week, and I also go to the Math Center. I don’t need an appointment there.”

Tutors and/or Instructional Assistants work alongside instructors in the classroom to provide students tutoring. The long term goal is to provide supplemental instruction for Basic Skills courses since this where the achievement gap is largest.

Supplemental Instruction

For Students who cannot access campus

“I can count on seeing the same tutor every week to go over my homework and feel like I have a chance to pass my course now.”
