

EVC Student Network Account Setup

Your student network account is created automatically when your college admissions application is processed. It is used to access selected EVC resources such as the library databases, campus Wi-Fi, and Office 365 (if requested).

The format of your student network account is as follows:

- EVC Students: MyWebID@stu.evc.edu (e.g., tivi7676@stu.evc.edu)

If you have an Office 365 account, your student network account username is your Office 365 email address. If desired, login to MyWeb to request an Office 365 account.

In order to use your student network account for the first time, you will need to complete a verification process and select a password.

1. Open a browser and go to, <https://sso.sjeccd.edu>
2. To login the first time, select the **Unlock/Reset Password** button. This will take you to an identification verification and enrollment process.
