

## **How to Apply**

### **Apply for Admission**

Your first step to attending EVC is to apply for admission to the college through [www.evc.edu](http://www.evc.edu).

### **Assessment and Placement**

What is Assessment? New students are required to take placement tests for math, English and reading. Graduating High School students

Should provide a high school transcript for multiple measures assessment (placement) by the college counselor. Growing evidence indicates that school transcripts and non-cognitive variables greatly improve the accuracy of the initial placement process. Students are encouraged to utilize their high school transcript in lieu of taking the placement test when completing the matriculation process. To schedule a multiple measures assessment with a counselor, please call (408)270-6475.

### **Orientation**

Complete the mandatory online orientation to learn about EVC, the process for enrollment, complete your student educational plan, and learn tips to succeed in college.

### **Counseling**

Meet with an academic counselor to select your classes for the current semester and plan for future semesters.

### **Register for Classes**

You are now ready to register for classes! You can register for classes through MyWeb at [myweb.sjeccd.edu](http://myweb.sjeccd.edu).

## **Tour Brochure**

## **Acacia**

**Affirm** - As an academic program at Evergreen Valley College, AFFIRM is designed to increase the retention, matriculation, and transfer of African American students.

**Enlace/Honors** - The Enlace Program is designed to help Latino/a students succeed to increase the number of transfers to four-year colleges and universities. The Evergreen Valley College Honors Program serves high achieving students in all majors and interests.

**ASPIRE** - Program at Evergreen Valley College is designed to increase the academic and personal success of Asian/Pacific Islander students.

## **Admissions & Records**

The Admissions & Records building is the starting point of any student's journey into Evergreen Valley College. Students can receive their Student IDs here, as well as order their official transcripts and participate in the assessment test.

## **Automotive Technology**

The automotive programs at EVC provides everything you'll need to become a certified service technician. Sponsored by American Honda Corporation, our program has resources and vehicles available to our students that are not offered at other schools, including state-of-the-art diagnostic equipment, late-model vehicles, and intensive hands-on training.

## **Gullo I**

**Associated Student Government** - Political voice for EVC students.

**Cafeteria** - Students can purchase food.

**Bookstore** - Students can purchase books for the semester & school supplies.

## **Gullo II**

**Veteran's Freedom Center** - Our school is approved to enroll veterans by the Council for Private Postsecondary and Vocational Education. Eligible veterans may receive benefits while pursuing a college degree or certificate.

## **Library**

**Tutoring** - Free tutoring in all subjects provided for EVC students.

**Computer Labs** - Free to use for students.

## **Math, Science & Social Science (MS<sup>3</sup>)**

**Math & Science Tutoring Center** - Provides free tutoring for students in need of help for math and/or science subjects.

## **Sequoia**

**Nursing** - Evergreen Valley College Nursing Department is a 2 year Registered Nurse Program. Upon completion of the program the student receives an Associate in Science Degree in Nursing and is eligible to take the NCLEX exam for RN Licensure.

## **Student Services Center (SSC)**

**General Counseling** - The primary goal of Counseling is to provide opportunities for students to clarify and achieve their academic and personal goals.

**Disabilities Support Program (DSP)** - Disabilities Support Program (DSP) provides support services and instructional programs for students with disabilities who are attending Evergreen Valley College.

**CalWORKs** - The CalWORKs (California Work Opportunities and Responsibility to Kids) provides services to parents receiving TANF (Temporary Aid to Needy Families) or cash aid.

**OASISS** - Our mission is to provide DREAMER and immigrant students with the necessary tools and information to succeed in pursuing a higher education and professional career.

**Health Center** - The Health Clinic provides a medical doctor, nurse practitioner/registered nurses, and personal counselors to assist currently enrolled students with health-related and psychological matters.

**Financial Aid** - Financial Aid and Scholarship Office offers a variety of support services. Students must apply to FASFA online.

**Non-Credit Program** - Serves as a gateway into credit certificate and degree programs that lead to entry level employment.

**YESS** - The YESS program at Evergreen Valley College provides educational, daily living, financial literacy, career planning skills, and on-campus support and resources to foster and probation youth who have been living in out-of-home care

**EOP&S** - Evergreen Valley College offers Extended Opportunity Program and Services (EOP&S) to assist students in meeting the social, financial, and academic requirements of completing a college education.

**International Students Program** - Moving across the world to study at EVC is a very brave thing to do. Our staff have also lived abroad or are from another country now living here and are familiar with how hard adjusting to a new culture can be. All of our staff are focused on your student success and strive to help you reach beyond your educational goals!

## **Visual/Performing Arts (VPA)**

**Art Classes** - Graphic design, drawing, painting, sculpture, Photoshop class, water-coloring, 2-D and 3-D drawing available.

**Music Classes** - Guitar, Piano, Music Theory, and introduction to film music and electronic music are all available to EVC students.
