

## WHY SHOULD YOU COME TO EVC?

Evergreen Valley College (EVC) is an established institution located on a picturesque 175 acre site in the eastern foothills of San Jose.

The City of San Jose is the heart of Silicon Valley and is located in beautiful Northern California. San Jose is the third largest city in California and the tenth largest city in the United States. Within reach of San Jose are San Francisco, Monterey, Carmel, Santa Cruz, Lake Tahoe, and Yosemite.

Don't be surprised by our relaxing, beautiful environment. Our campus is alive with teaching and learning, making educational dreams come true!

## AFFORDABLE TUITION

Starting at EVC will save you thousands of dollars. The tuition and fees at EVC cost nearly \$6,000 for 24 credits, while it costs more than \$16,500 for the same number of credits at nearby San Jose State University.

## 2 YEARS EVC + 2 YEARS UNIVERSITY = 4 YEARS UNIVERSITY DEGREE

Following what's known as a 2 + 2 plan means lower costs for the first two years of your 4 year degree. At EVC, you can gain an associate degree that prepares you for transfer to a 4 year university. This counts as the first half of a bachelors degree, which can then be completed by transferring to a university for an additional two or three years. The bachelors degree you receive from attending 4 year university is exactly the same as if you start spend your first 2 years at EVC and complete last 2 years at the university.

## ARTICULATION AGREEMENT WITH OVER 100 UNIVERSITIES

An articulation agreement is a written agreement that identifies courses (or sequences of courses) from EVC that are comparable to, or meet course requirements at a CSU or UC campus. Articulated courses of study enable the student to progress to the next level of instruction at the receiving institution without going through the same general application process.
