

ACCOUNTING - CERTIFICATE OF ACHIEVEMENT

This curriculum provides training for entry-level accounting positions including general accounting clerks, bookkeepers, and similar workers in banks and business firms. Graduates from this program are qualified to meet the demands of offices requiring technical skills in general accounting and computerized bookkeeping. A grade of 'C' or better in each major course is required to graduate.

Program Learning Outcomes

- Prepare and record accounting entries in accordance with generally accepted accounting principles using both manual and computerized accounting systems.
- Apply knowledge of payroll and tax accounting to identify and record economic events.
- Create and analyze financial statements, and communicate results to end users.
