TEACHING MODALITIES

Distance Education (DE)

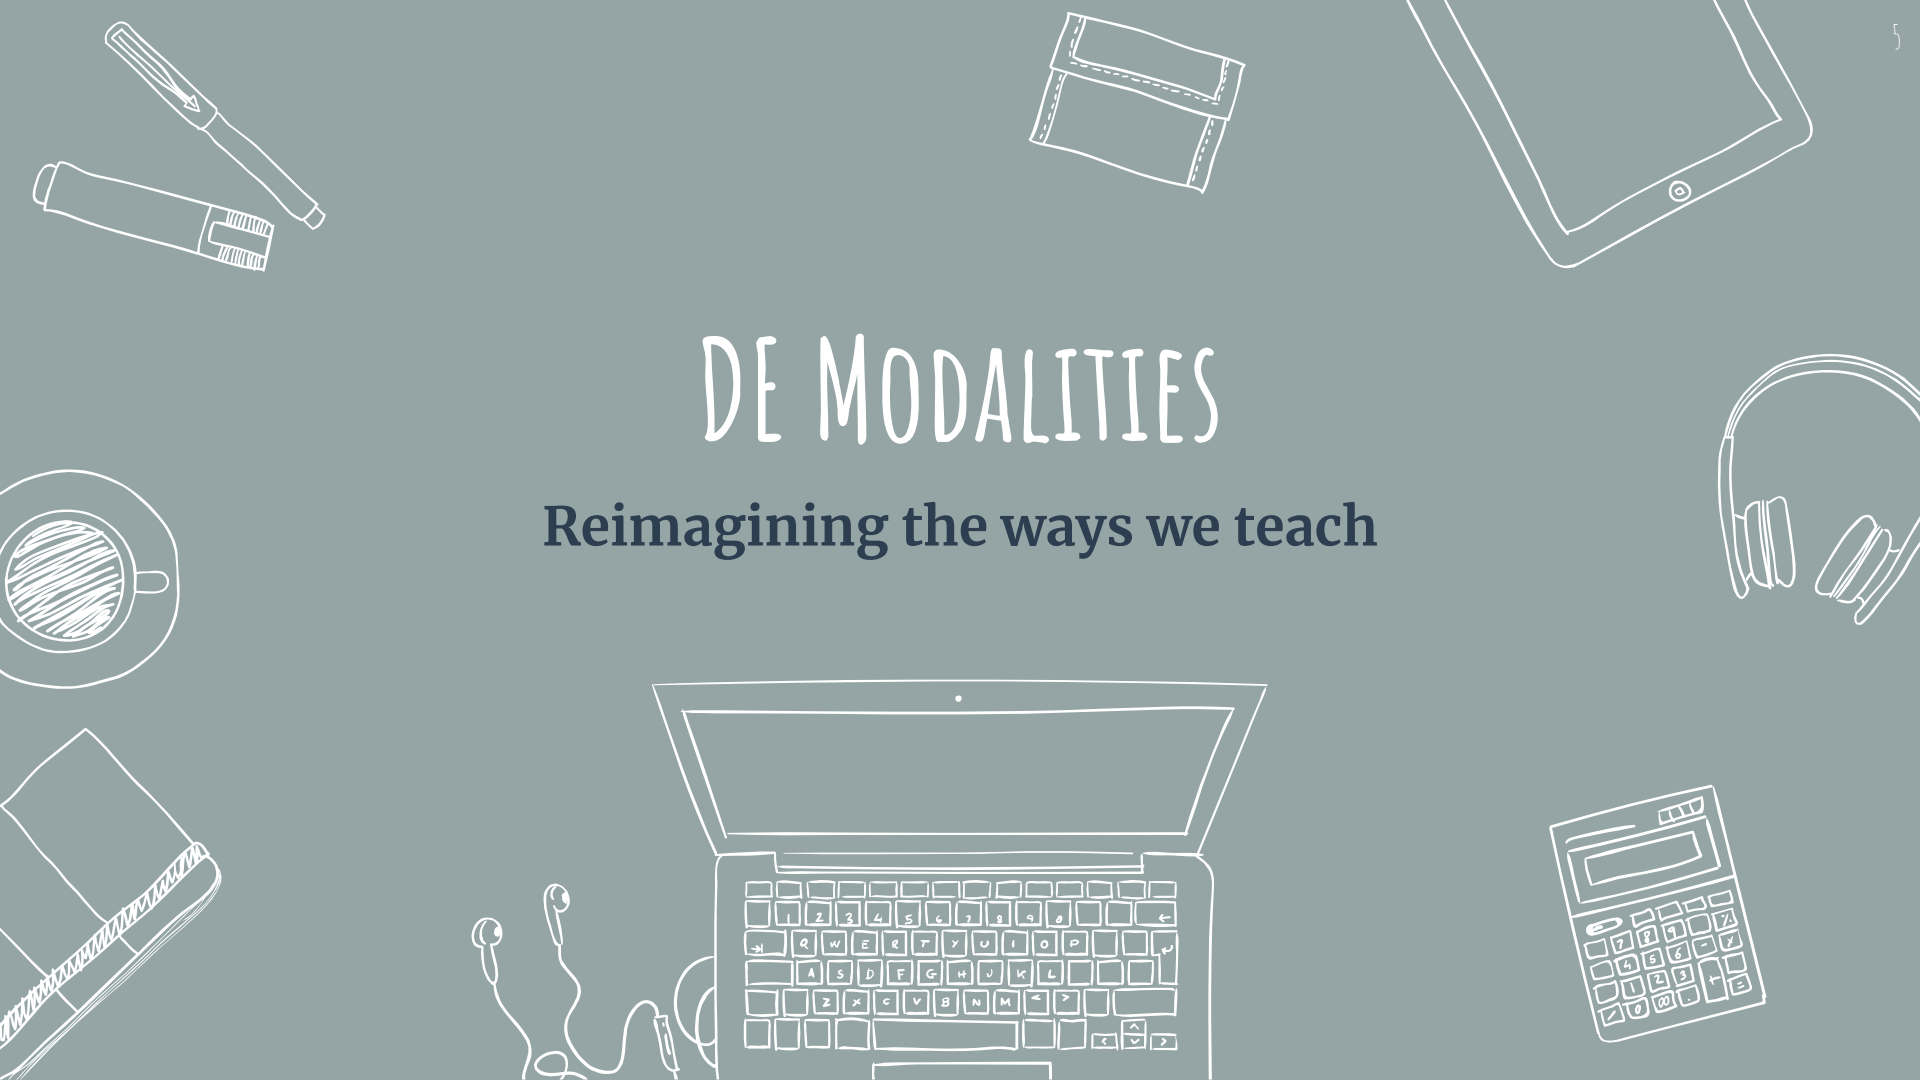

1. Fully Asynchronous: 100% online, no meetings
2. Asynchronous Hybrid: partially on campus
3. Fully Synchronous: 100% Zoom meetings
4. Synchronous Hybrid: partially on campus and partially on zoom
5. Online Blend: partially asynchronous and partially synchronous

Traditional Brick and Mortar

Instructor and students meet in person, on campus 100% of the time.

DE MODALITIES

Reimagining the ways we teach

FULLY ASYNCHRONOUS MODALITY

FULLY ONLINE

For the student who cannot come to campus nor attend scheduled weekly class meetings

- ❖ No required in-person, on campus or Zoom meetings
- ❖ All course content is delivered and interactions happen through the LMS (Canvas)
- ❖ Regular and substantive weekly interaction between instructor and students and among student must take place.
- ❖ An Online Orientation must be provided by first week of semester.

ASYNCHRONOUS HYBRID MODALITY

PARTIALLY ONLINE, PARTIALLY ONCAMPUS

For the student who can attend class meetings on campus occasionally or only one day a week

- ❖ Some scheduled in-person, on campus class meetings.
- ❖ A portion of the course content is delivered through the LMS
- ❖ Allows for on-campus proctored exams
- ❖ An Orientation must be provided by first week of semester.

FULLY SYNCHRONOUS MODALITY

SCHEDULED MEETINGS VIA ZOOM

For the student who cannot come to campus but can attend scheduled weekly online class meetings

- ❖ All scheduled class meetings via Web conferencing tool (Zoom)
- ❖ LMS is used to augment course content delivery
- ❖ No required in-person, on campus meetings
- ❖ An Online Orientation must be provided by first week of semester.

SYNCHRONOUS HYBRID MODALITY

PARTIALLY VIA ZOOM AND PARTIALLY ONCAMPUS

For the student who would like to attend a mixture of online and on campus meetings

- ❖ Some scheduled in-person, on campus class meetings.
- ❖ Some scheduled class meetings via Zoom
- ❖ An Orientation must be provided by first week of semester.
- ❖ Allows for on-campus proctored exams

ONLINE BLEND MODALITY

PARTIALLY ASYNCHRONOUS, PARTIALLY SYNCHRONOUS

For the student who cannot come to campus and can only attend scheduled online class one day a week

- ❖ Some scheduled class meetings via Zoom
- ❖ A portion of the course content is delivered asynchronously through the LMS.
- ❖ No required in-person, on campus meetings
- ❖ An Online Orientation must be provided by first week of semester.
