SJECDD Parking Regulations require parking permits in all campus parking lots.

Students: You may order a digital permit for \$40 or a decal permit mailed to you for \$45. Mailed permits will be delivered within 7-10 days. Digital permits allow you to park in you designated area without being required to display a physical permit.

Motorcycle permits are only digital and no physical permits will be issued. The license plate is the permit number.

Employees:
The Employee Digital permits allow you to park in your designated area without being required to display a physical permit. The license plate you register will become your virtual parking permit. Another advantage for Full time Employee Digital permits is no annual renewal is required. The digital permit is valid for the duration of your employment at SJECDD.

Employee decal permits will be mailed and incur a processing fee. Allow 7-10 day for the decal permit to arrive.

You successfully ordered your permit. For virtual permits, nothing will be mailed out. Your registered license plate is the permit number. There is nothing to display on your vehicle.
