## Vision

To be the leading college advancing opportunity, equity, and social justice through supporting students' aspirations, education, and career attainment.

## Mission

Evergreen Valley College guides all students to pathways that reach their educational and career goals through equity-centered, innovative academic programs and support services. By creating a learning environment where everyone feels welcomed and supported, we are committed to a culture of inquiry, growth, and respect that creates an equitable society in which all can participate and prosper.

# TRANSFER CENTER

Are you changing schools or hoping to transfer to a four-year university after your time at EVC? We've got you covered! We know that transferring can be daunting, and we're here to make the transition seamless and efficient.

EVC has a **Transfer and Career Center** whose mission is to help students achieve their career and transfer goals by providing them with the tools and guidance to be successful. Our students have transferred to many universities, including Historically Black Colleges and Universities (HBCUs) and Ivy League schools.

The center staff helps students understand the eligibility criteria and the admissions process for CSU, UC, AICCU, and Out-of-State institutions.

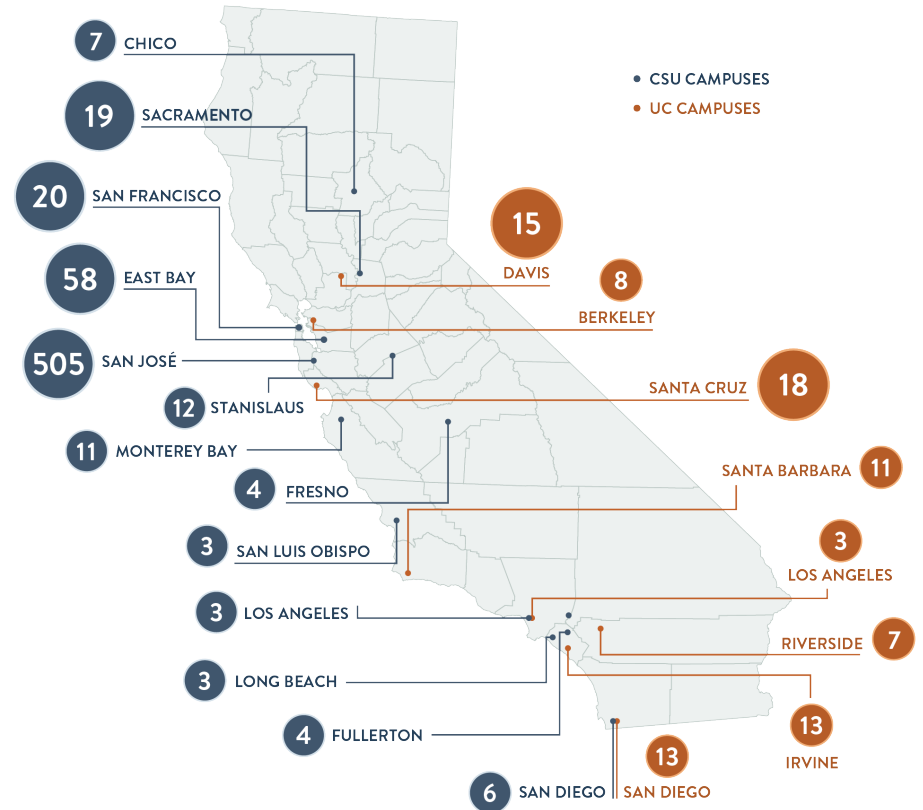

"Attending EVC allowed me to explore and discover my interests. I would not have even had a shot at Yale had I not attended EVC."

— Brooke Alviar,  
EVC Class of 2019

# STUDENT RESOURCES

At EVC, you will see our holistic commitment to your learning and success woven through our curriculum, instruction, and service to you.

Our support includes special programs such as our **Disabilities Support Program** and **Veterans Freedom Center**, **basic needs initiatives** including access to food, CalFresh, housing assistance, emergency funding, parental support, **mental health and wellness services**, **enrollment services**, **financial aid**, and more.

## Health & Wellness

The Student Health and Wellness Department offers confidential medical and mental health services to help students achieve their personal, academic, and professional goals while maintaining balance in body and mind.

The EVC Wellness program offers **personal counseling**, case management, and crisis support services from experienced mental health counselors and Intern Associates. We are committed to providing support for students as they pursue their goals.

## FRESH Assistance Center

We recognize that secure access to food and housing is essential to academic success in higher education and must, therefore, be treated as a top educational priority. You can receive assistance accessing food, housing resources, and other services through our FRESH Assistance Center.

The Evergreen Valley College FRESH (Free Resources and Education to Stop Hunger/Homelessness) Market is one service offered through the FRESH Assistance Center. The FRESH Market was established to provide resources, CalFresh application assistance, and a variety of non-perishable food items and grab-and-go options for EVC students. Think of it as your free on-campus grocery store.

## Land Acknowledgment

We acknowledge that we gather at Evergreen Valley College on the unceded aboriginal homeland of the Tamien Nation, past, present, and future. We honor with gratitude the Tamien People who teach us that our relationship with the land is reciprocal, and we must work in unison to keep the world in balance. As educators we believe in the power of words and make this land acknowledgement as a commitment to partner and advocate for a more equitable and inclusive future.
