EVC WELCOMES BACK STAFF AND FACULTY AT PROFESSIONAL DEVELOPMENT DAYS ON 8/25 AND 8/26

EVC welcomed its staff and faculty on Thursday and Friday, August 25 and 26 for its annual Fall Professional Development Day (PDD).

This fall’s theme is “A New Mission into Practice, a New Vision into Focus.” Our campus spent two full days in community with each as a large group focusing on important updates, hearing from constituency groups, President Gilkerson talking about a sense of belonging, and hearing from our students. Then a full day and a half in workshops and division meetings, all in preparation for our students.
We partnered with the International program, who provided supplemental funding so we could target potential international students. We used creative of international students/alumni (see samples attached). Quick highlights:
