

Bridging Into Statistics Academy

COMING..
**August
21-25**
9am-1pm

Benefits of participating in the academy:

- Refresh and practice basic mathematic skills i.e. basic algebra review, introduction to statistics, and probability.
- Review graphing and how to navigate calculator usage.

$$x_{1/2} = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$$

Benefits AFTER completing the academy:

- A seat reserved in math 63 for fall '23 with Enlace.
- Continue your success with Dr. Erickson!
- Math 63 is a transferable class and for most students, this is the only math class needed for transfer.

Food will be provided
