# **Karl S. Pister Leadership Opportunity Award \$20,000**

The Karl S. Pister Leadership Opportunity Program Award was established in 1993 by former chancellor Karl S. Pister to increase opportunities for talented community college students who want to transfer to UCSC. The awards recognize students who have overcome adverse socioeconomic circumstances, who have a demonstrated commitment to assisting and improving the lives of others, and who might not otherwise be able to attend UCSC for financial reasons.
