NURSING PLEDGE

"I join my fellow students today to pledge my commitment to the highest ideal and academic standards of my education at the Evergreen Valley College Nursing Program.

I pledge to practice my profession faithfully and to safeguard the health and welfare of clients who have placed their trust in me.

I am entering a profession in which I have responsibility for the lives of others. I pledge to adhere to the highest standards of evidence based practice, honesty, integrity, accountability, confidentiality, and professionalism.

All of my written work, spoken words, actions and interactions with clients, families, and peers will reflect these standards.

I will advocate, educate, and provide for the client's best interest.

I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping.

With loyalty, I devote myself to the welfare of those committed to my care. I am a nurse and I pledge these responsibilities are a lifelong endeavor."

** This pledge was adapted in 2011 from the Nursing Honor Code Pledge at the University of Louisville School of Nursing.*
