ABOUT EVERGREEN VALLEY COLLEGE

Since Fall 1975 Evergreen Valley College has been an esteemed institution, dedicated to serving a diverse community of approximately 9,000 students each semester. As one of the most diverse student bodies within the California Community College system, we take pride in fostering an environment that celebrates and embraces our rich tapestry of backgrounds and perspectives.

At Evergreen Valley College, our core values of opportunity, equity, and social justice are at the heart of everything we do. Our comprehensive curriculum is designed to provide career-focused and academic pathways, ensuring that students have the skills and knowledge necessary to thrive in their chosen fields.

Our state-of-the-art learning and student services spaces further demonstrate our dedication to student success. With solid support from the community, we have transformed our campus to enhance student satisfaction, preparation, and achievement. Notable additions include the cutting-edge Auto Tech Building, the multi-disciplinary MS3 Building encompassing Math, Science, and Social Sciences, a modern Fitness Center, and the esteemed Veterans Freedom Center. Additionally, our sports complex now features futsal and pickleball courts, catering to the athletic pursuits of our students and community members. And thanks to monies from our latest bond, our campus has transformed. The Language Arts Building opened in 2023, replacing Roble. In Fall 2025 we opened our Student Services Complex, our General Education and Engineering Building Nursing wing in the Sequoia Building.

Evergreen Valley College has earned recognition as a national leader in several areas, including transfer success, graduate earnings, and a diverse faculty. We provide an inclusive and supportive environment where students can thrive academically, socially, and personally.

On September 3, 2025 we will celebrate our 50th Anniversary. The Mercury News wrote upon our opening, that the 101st college opened in “rural” San Jose. Five decades later we are one of the top community college in the State. Your graduates should be proud to say they are EVC alumni.

THE ACADEMIC PROCESSION – HISTORY AND TRADITION

One of the most colorful parts of commencement is the academic procession – the opening part of the time-honored and traditional ceremonies. The procession includes all of the participants in the exercise: the graduating class, faculty, governing board and participating guests.

The graduating class wears black gowns. The tassel of the cap is worn on the right and changed to the left immediately after receiving the degree of Associate of Arts or Associate of Science.

The college faculty, staff and administrators, along with the governing board and program guests, wear counts indicative of their academic ranks.

Cap and Gown

The heritage of the cap and gown with the colorful spectacle of the academic array dates back to the twelfth century among the first universities in Europe. Although there have been many changes in design and color, each individual gown with its rank is symbolic of achievement in a special field.

The faculty gowns are divided into three groups dependent upon the high college degree earned by the wearer.

The bachelor's gown is made of black worsted material with long, pointed sleeves and the front is closed at the neck.

The master's gown is either of black silk or wool and has a long, closed sleeve with an arc of a circle appearing near the bottom and a slit at the elbow of the arm.

The doctorate gown is black silk or wool with full, round sleeves with three velvet stripes. The velvet color is usually black but may be the same color as the edges of the hood.

The traditional black mortarboard-style cap is worn for all degrees, the only difference being the tassel. For holders of the bachelor's or master's degrees, it is usually black, but occasionally it is the color of the velvet of the hood. The doctorate tassel is gold.

Academic Regalia

The academic regalia is set off by the most distinctive of all insignia—the hood. The hood is made of a black material to match the gown and varies in length according to the degree: bachelor's is three feet, master's is three and a half feet, and doctorate, four feet.

Each hood has a velvet edge of varying widths according to the degree, two inches, three inches and five inches, respectively. The edging is carried around to the front of the neck to form a neckband. The color of this velvet trim indicates the field or department of learning in which the degree was earned. All hoods have a silk lining of the official color or colors of the college or university conferring the degree.

The following is a list of colors for designated groups at EVC (and sometimes their stoles):

AFFIRM	Multi-colored Kente cloth	LGBTQ+	Rainbow achievement stole
ASG	Red and Blue	OASSIS	Multi-colored traditional sarape
ASPIRE	Red	Veteran	Blue or green silk stole
Enlace	Blue	Country logos on stoles	Represent a students' cultural identity
First Year Experience	Orange		
Honors	Gold Braids

2025 COMMENCEMENT ADDRESS SPEAKER & BIO

Sylvia Arenas, Santa Clara County Supervisor

Supervisor Sylvia Arenas is a proud native of San José. Sylvia and her family have lived in Evergreen for over 20 years, and it is where they are raising their two children. As a daughter of immigrant parents Sylvia learned the value of hard work and the importance of serving others. Sylvia has dedicated her career to public service and for over twenty years, she has worked on community issues and public policy including serving on the San José City Council and Evergreen Elementary School District Board.

She earned her Master of Public Administration from the University of San Francisco. Prior to holding public office, Sylvia held a career in child development and worked for agencies such as FIRST5 Santa Clara County, a statewide program that brings critical services to young children, and Gardner Health Services, a health center that provides services to low-income families.

Sylvia assumed office in 2023 to serve as the County of Santa Clara Supervisor serving District 1 which includes parts of San José, Morgan Hill, San Martin, and Gilroy. She has proven her continued commitment to be a champion for children and families as well as a defender of gender based violence. Sylvia approaches policymaking by listening and learning from the community and the advocate agencies who have experienced the gaps in our systems and she works alongside them to change the rules and policies to better serve our community and increase access to support services.

During her 8 years in public office, Sylvia Arenas has been a tireless champion and advocate for families, women, children, and racial equity. She approaches her job as an opportunity to change the rules to make our community and society more equitable.
