

SUMMER BRIDGE

Engineering Degree Pathway

Take the first step on your path to an **engineering degree** and a rewarding, **high paying career!**

VIRTUAL INFO SESSION

FRIDAY: MAY 16, 2025

5PM-6PM

REGISTER FOR
ZOOM HERE

Don't miss this opportunity to elevate your pathway to your degree in engineering by participating in a 6 week paid summer bridge on campus at EVC. Boosting your confidence with math and getting your hands on an engineering project. All while connecting with faculty, students and resources before you begin your classes at EVC in the Fall!
