

*Empower your research
with this online course!*

UNDERSTANDING WHAT'S ON THE WEB

(officially called "Electronic Research on the Internet")

LIB-015 - 3 units

THE COURSE WILL EXPLORE:

HOW TO SEARCH:

- Best practices and techniques
- Ethical uses of online content
- Citation of resources
- Privacy and intellectual freedom
- Opinion versus fact
- Is the information "true?"

THE TOOLS AVAILABLE:

- Search tools and techniques
- Using Google Scholar
- How Wikipedia can help
- Library Catalogs, books and publications
- How to evaluate what AI tells you

Students at the end of the course
WILL FEEL MORE CONFIDENT
in understanding their sources.
