

**EVERGREEN VALLEY COLLEGE**  
**All-College Curriculum Committee**  
**Minutes of November 13, 2025**

**Present:** Mark Bernbeck, Vicki Brewster, Laimi Cong-Huyen, Grace Estrada (Zoom), Erlinda Farris, Laura Garcia, Judith Girardi, Antoinette Herrera, Alison Johnson, Tejal Naik, Eric Narveson, Tina Nguyen, Rahmon Pashtunyar, Emely Salazar, Claudia Schalesky and Karyn Tran

**Absent:** Maniphone Dickerson, Robert Gutierrez, Rosa Pereida, Jovita Valdez and Jeanine Vaughn

**Guests:** Celso Batalha, Simon Cook, Adam Green, Jennifer Kurushima and Bhawana Mishra

- I. **Call to Order:** 2:36 p.m. by Laura Garcia
- II. **Approval of Agenda** - The agenda was unanimously approved.
- III. **Approval of the Minutes:** The minutes from the September 25<sup>th</sup> and October 9<sup>th</sup> meetings were unanimously approved.
- IV. **Public Comments/Announcements:** Laura introduced the two students that have joined the committee. Everyone introduced themselves to Karyn Tran and Emely Salazar.

Eric mentioned to the committee that he serves on the statewide Standards and Practices Committee. He gave updates from the fall Plenary meeting.

- V. **Curriculum Training and Updates:** Laura stated that there are several program revisions pending Jovita's approval in CurriQunet.

Vicki mentioned that the PSYCH faculty have launched modify course proposals instead of new course proposals for changes to the discipline acronym from PSYCH to PSYC after it was discussed at the last ACCC meeting that new acronyms and course numbers constitute a new course proposal not a modify course proposal. CCN courses were an exception. Grace mentioned that these changes were in the interest of the students.

After a brief discussion, it was decided that Grace would propose changes to the modify course process on behalf of the ACCC to the Academic Senate and Laura will make sure that there are no articulation conflicts with these proposed changes.

Since the last ACCC meeting is scheduled on the last week of the semester, the committee voted to move the last ACCC meeting from Thursday, December 11<sup>th</sup> to Thursday, December 4<sup>th</sup>.

## VI. Curriculum/Articulation

### A. EVC New Course Proposals (*Requires Governing Board Approval*)

**Course:** **BIOL C1000: Introduction to Biology with Lab + All DE Modalities (4 units)**

This combined lecture and laboratory course provides the non-biology major with an introduction to living things and their environment.

**Action:** The course was represented by Adam Green. After minor edits, it was unanimously approved. **Effective fall 2027**

**Course:** **ASTR C1001L: Introduction to Astronomy Lab + Fully Asynchronous Modality (1 unit)**

This laboratory course reinforces fundamental principles and concepts of astronomy by applying the scientific method through experiments, observations, and/or simulations.

**Action:** The course was represented by Celso Batalha. It was unanimously approved. **Effective fall 2027**

**Course:** **MATH C2210: Calculus I: Early Transcendentals + All DE Modalities (5 units)**

A first course in differential and integral calculus of a single variable. Topics include limits and continuity of functions, techniques and applications of differentiation, an introduction to integration, and the Fundamental Theorem of Calculus.

**Action:** The course was represented by Laimi Cong-Huyen. After a minor edit, it was unanimously approved. **Effective fall 2027**

**Course:** **MATH C2211: Calculus I Late Transcendentals + All DE Modalities (4 units)**

A first course in differential and integral calculus of a single variable. Topics include limits and continuity of functions, techniques and applications of differentiation, an introduction to integration, and the Fundamental Theorem of Calculus.

The course was represented by Laimi Cong-Huyen. It was unanimously approved. **Effective fall 2027**

**Course:**    **MATH C2220: Calculus II: Early Transcendentals + All DE Modalities (5 units)**

A second course in differential and integral calculus of a single variable. Topics include applications of integration, techniques of integration, infinite sequences and series, and the calculus of parametric and polar equations.

**Action:**    The course was represented by Laimi Cong-Huyen. It was unanimously approved. **Effective fall 2027**

**Course:**    **MATH C2221: Calculus II: Late Transcendentals + All DE Modalities (4 units)**

A second course in differential and integral calculus of a single variable. Topics include applications of integration, techniques of integration, infinite sequences and series, and the calculus of parametric and polar equations.

**Action:**    The course was represented by Laimi Cong-Huyen. After a minor edit, it was unanimously approved. **Effective fall 2027**

**Course:**    **ESL 572L: ESL Skills Development Lab + All DE Modalities (0 unit)**

The content of this lab will facilitate skills development for high-intermediate ESL learners.

**Action:**    The course was represented by Rachel Cohen-Reyes. It was unanimously approved. **Effective fall 2026**

**Course:**    **ESL 590: Academic Reading and Writing 2 +All DE Modalities (0 unit)**

This course focuses on patterns of essay organization, relationships of paragraphs within essays, author's purpose, audience, tone, and mood.

The course was represented by Rachel Cohen-Reyes. It was unanimously approved. **Effective fall 2026**

**Course:**    **ESL 590L: ESL Skills Development Lab + All DE Modalities (0 unit)**

The content of this lab will facilitate skills development for the course, ESL 590.

**Action:**    The course was represented by Rachel Cohen-Reyes. After minor edits, it was unanimously approved. **Effective fall 2026**

**Course:**    **ESL 596: Grammar for Writers 2 + All DE Modalities (0 unit)**

This course is designed to help ESL students improve their writing skills and grammar usage for success in ESL 590.

**Action:**    The course was represented by Rachel Cohen-Reyes. After minor edits, it was unanimously approved. **Effective fall 2026**

**Course:** SOC C1000: Introduction to Sociology + All DE Modalities (3 units)

This course introduces students to Sociology: the study of people, groups, and institutions that shape people's lives.

**Action:** The course was represented by Shaneel Pratap. It was unanimously approved. **Effective fall 2027**

**Course:** ANTH C1001L: Biological Anthropology Lab + All DE Modalities (1 unit)

In this laboratory course, students investigate the anatomy, genetics, behavior, variation, and evolution of humans and other primates.

**Action:** The course was represented by Gustavo Flores. After minor edits, it was unanimously approved. **Effective fall 2027**

## **B. EVC New and Revised Program (*Requires Governing Board Approval*)**

**Program** Associate in Arts for Transfer: Law, Public Policy and Society (60 units)

The Associate in Arts in Law, Public Policy, and Society for Transfer Degree "LPPS" prepares students for legal, government, corporate, non-profit, or educational fields.

The program was represented by Cindy Bevan. It was unanimously approved. **Effective fall 2026**

**Program:** Associate in Arts for Transfer: History (60 units)

The study of history as an academic discipline is serious and systematic. Historians analyze the events and processes of the past, both to gain more understanding of human nature, in any place and at any time, and to explain the distinctive dynamics of particular societies, usually in regional and chronological contexts.

**Action:** The program was represented by Eric Narveson. It was unanimously approved. **Effective fall 2026**

## **C. EVC Course Revisions (*Do Not Require Governing Board Approval*)**

**Course:** KINS 033: Introduction to Kinesiology and Physical Education + All DE Modalities (3 units)

This course will explore the broad spectrum of Kinesiology and Physical Education as an academic discipline and the required preparation and training for occupations involved with human movement, education, biomechanics, philosophy, allied health, fitness, recreation, coaching, and wellness.

**Action:** The course was represented by Simon Cook. It was unanimously approved. **Effective fall 2026**

**Course: PHIL 060: The Art of Reasoning + All DE Modalities (3 units)**

This is an introductory course in informal fallacies and critical reasoning. The course will focus on critical thinking strategies and skills, the elements of an argument, distinctions between deductive and inductive logic, and comparing the strength of arguments.

**Action:** The course was represented by Bhawana Mishra. After minor edits, it was unanimously approved. **Effective fall 2026**

**Course: BIOL 020: Human Biology + All DE Modalities (4 units)**

This course introduces students to biology using humans as the exemplary organism.

**Action:** The course was represented by Jennifer Kurushima. After minor edits, it was unanimously approved. **Effective fall 2026**

**Course: WOMS 010: Introduction to Women's and Gender Studies + All DE Modalities (3 units)**

This course will explore women's and gender theories and the perspectives of women from different ethnicities, ages, social groups and social classes, along with contemporary definitions and values that affect women's livelihoods.

**Action:** The course was represented by Charlie Kahn-Lomax. After minor edits, it was unanimously approved. **Effective fall 2026**

## **VII. Consent Agenda**

ARTH C1200: Survey of Art History from the Renaissance to Contemporary – Correction to course title (from “Survey of Art History from the Renaissance to Contemporary” to “Survey of Art from the Renaissance to Contemporary.”)

ENGL C1002: Revised textbooks to resubmit for UC approval

## **VIII. New Business**

### **IX. Old Business**

- A. Possible additions to course proposals:
  - i. Checkbox for when changes are made to address DEIAA needs – No updates
- B. Course Update Policy – No updates
- C. Curriculum Handbook – No updates
- D. Curriculum Sunset Policy Update: No updates

Course #	Course Title	Last Time Offered
BIM 122	Managing Construction Coordination Meetings	Fall 2021
BIM 125	Planning and Managing Construction Projects with 4D CAD	Fall 2017
BIM 138	BIM Work Experience	Spring 2018
KINS 058	Introduction to Athletic Injuries	Fall 2019
KINS 060L	Fitness Center Laboratory	Never Offered

E. AB 1111 – Common Course Numbering (CCN) – Laura mentioned to the committee that all of the CCN courses from Phase IIB have been approved by ACCC except the CDEV course. It has been launched and it's pending approvals.

F. AB 928 – Cal-GETC – No updates

X. **Adjournment** - Meeting was adjourned at 3:46 p.m.
